ABOUT KAROLIDIS & CO

Trusted Tax Accounting for Business

Our team is **highly qualified** in business law, property law and tax and our advice are centered towards small and medium-sized businesses in Melbourne but we also assist interstate and international clients operating in Australia.

Our clients love our services because they can speak directly with a **tax lawyer and accountant in the same place** – you no longer need to be frustrated explaining your circumstances and structure multiple times.

WHAT OUR CLIENTS SAY ABOUT US

"Nick is an outstanding agent who provides professional and timely services. Always prompt responses and even goes above and beyond to make us happy and with such diligence and efficiency in his work. "

- Andranik Kazaryan

"Karolidis and Co is a great firm to deal with from every aspect. They can help you with Conveyancing, accounting, and other advice. We have been using their services for few years and its been a pleasure."

- Paul Barcha

"Absolutely fantastic and hassle-free experience! Highly recommended"

- Vinu

"Mr Karolidis reviewed the funding contract for a business proposal on my behalf and found him to be very knowledgable and thorough at a competative price. This is the second time I have used Mr Karolidis for legal advice and would recommend him with total confidence."

- Tony Zaccardi

"Nick and his professional team could not have been more open and helpful. We really appreciated their extra efforts, going above and beyond to make themselves available. Their expert advice is beyond value. We will use them whenever needed in future."

- Jenna Kimball

"Great experience, very professional & fast turnaround - we received exactly the guidance and advice we were hoping for. We will certainly recommend Mr. Karolidis!"

- Bhumi Sales

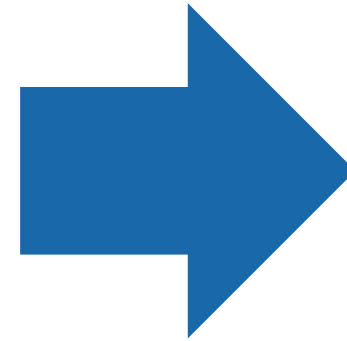

Business Packages

Suit small/ medium businesses who may have ad-hoc queries regarding their tax and accounting matters with no surprise bills.

Your package includes:

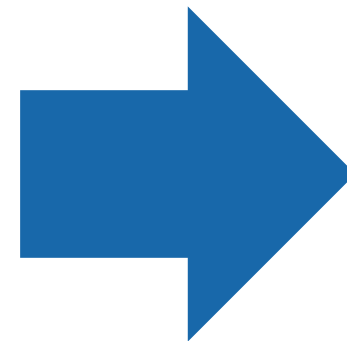

- Initial Xero setup;
- Annual income tax returns: one (1) operating company/trust + one (1) holding trust (if applicable) + one (1) shareholder individual (additional/complex individual returns will be POA);
- Yearly ASIC review/statement for company;
- Quarterly business activity statements;
- Annual financial statements;
- Tax Administration (Tax Assessments and reminders); and
- Ad-hoc brief telephone / email advice.

Important: Our fixed price is conditional upon you providing us with a properly reconciled and balanced Xero file at the end of each quarter (Xero fee not included).

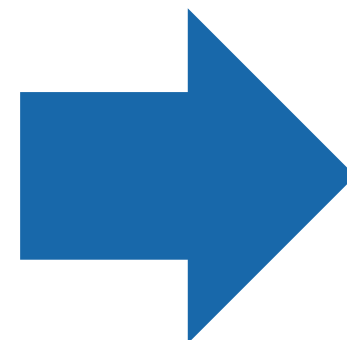

Startup - \$750 / quarter

For new businesses. Applicable for the 1st year of lodgements and assistance.

Regular - \$1,250 / quarter

Established businesses and those on our Startup package after 12 months.
